### 2016 Personal Tax Deadline almost here!

Hello Friends and Clients!

It's almost the end of the tax season to file your 2016 personal income tax return on time. Individuals who have a balance owing and don't file by the due date of Monday, May 01<sup>st</sup>, 2017 will have to pay a late filing penalty 5% and 1% per month on the balance owing. If you or your spouse or common-law partner is self-employed in 2015, you have until midnight on Thursday, June 15<sup>th</sup>, 2017 to file your 2016 return(s). You still have to pay your amounts owing by Sunday, April 30<sup>th</sup>, 2017. Unfortunately last year I had to turn work away because my time is extremely tight for the next few weeks so please don't be disappointed if I can't get to you right away. Thanks for your understanding in advance!

Always at your tax service,

*Neel*
